

# Heat It Up

## 98 Degrees

Baby, let me love you to the 98th degree, girl

And heat it up

(I'm down)

Girl, let's heat it up

(I'm down)

I can give you all my lovin' If you're only down for me, girl

Let's heat it up

(I'm down)

Come on, heat it up

(I'm down, boy) Late at night I fantasize, girl

That you and I, yo, you were rockin' my world

I can't deny the way I'm feeling

Think about you, girl, again and again, yeah

Whenever I'm with you, my fantasies come true

So tell me what you wanna do Just hold me close, don't let me go

Baby, show me how the 98 will flow

I wanna know how it can be with 98 Degrees

You gotta know I'm down for you

Baby, show me what the 98 can do

Boy, lead the way to ecstasy But only if you're down for me Baby, let me love you to the 98th degree, girl

And heat it up

(I'm down)

Girl, let's heat it up

(I'm down)

I can give you all my lovin' If you're only down for me, girl

Let's heat it up

(I'm down)

Come on, heat it up

(I'm down, boy) This urgency of what I'm feeling

Is killing me, when will this lovin' begin

I wanna be the one you run to

Girl, you know there's nothing I wouldn't do

The very thought of you is like a dream come true

So tell me what you wanna do, yeah Just hold me close, don't let me go

Baby, show me how the 98 will flow

I wanna know how it can be with 98 Degrees

You gotta know I'm down for you

Baby, show me what the 98 can do

Boy, lead the way to ecstasy Baby, come get down with me Baby, let me love you to the 98th degree, girl

And heat it up  
(I'm down)  
Girl, let's heat it up  
(I'm down)  
I can give you all my lovin'If you're only down for me, girl  
Let's heat it up  
(I'm down)  
Come on, heat it up  
(I'm down, boy)Heat it up just a touch  
Are you down for my love  
Heat it up just a touch  
Are you down for my love  
Heat it up just a touch  
Are you down for my love  
Heat it up  
Only if you're downBaby, let me love you to the 98th degree, girl  
And heat it up  
(I'm down)  
Girl, let's heat it up  
(I'm down)  
I can give you all my lovin'If you're only down for me, girl  
Let's heat it up  
(I'm down)  
Come on, heat it up  
(I'm down, boy)
