June

Desario

Pots and pans are indestructible.
How do you respect your room?
If you hadn't gone tomorrow,
You could have stayed on 'til June.It's alright if I was older,
It's ok to lose your age,
And I, want to follow you,
I do, I do.It's another I could trust you,
It's another thing to swear,
I'm ok with all the others,
It's just her I cannot stand,
I'm old enough to feel the way I do
And I know that you are true,
it's just a part of my genes.And I want you to know,
it's hard to wait on,
I'll swallow you whole,Wait kindly in the next room.
And you have stayed,
A mile away from me,
And you will stay a mile away from me
If you know what's good for you,
You could have stayed until June.
