

Another Day Is Done

Nick Lachey

Nah, Nah, Nah, Nah, Nah, Nah
Tonight we won't count sheep
Count the ways that I love thee
Count all the things that ever made you smile
Just rest your eyes awhile
Tomorrow's a new day
It may feel so far away
I'll always be everywhere you are
So rest your peaceful heart
Go to sleep, my son
Be still my little one
You're one step closer to the man that you'll become
Another day is done
As summer turns to snow
I'm so proud to watch you grow
I'll cherish every moment of your life
But now let's say goodnight
Go to sleep, my son
Be still my little one
You're one step closer to the man that you'll become
Another day is done
So go to sleep, my son
Another day is done
