Sunday Morning

Sleepy Brown

Well

I know I keep on
Talking 'bout your love
When I'm with you
Everything's beautiful
It's all about you
Whatever you wanna do
I'm so happy
I'm with you
Don't see any problems with you
Those things that we could do
Girl you know
I love you

You make it oh (oh)
Feel so good
Make me wanna get up early on a Sunday morning
All your love

You make it oh (oh)
Feel so good
Make me wanna get up early on a Sunday morning
All your love

Oh
Come on baby
Bring it here girl
I'ma do you round the pool
Are you ready
For this love I'ma put on you, I'ma put on you
(Oh) I'ma hit it I'ma hit it some more

You make it oh (oh)
Feel so good
Make me wanna get up early on a Sunday morning

All your love

You make it oh (oh)
Feel so good
Make me wanna get up early on a Sunday morning
All your love

Oh, oh
That feels so good baby, uh
Oh oh
You so good you make me wanna testify girl
Oh oh (Yeah)
It's a Sunday morning here I come baby

You wonder why I stare at you all the time baby?
Oh oh
'Cause God has really blessed me to be with you
Oh oh
So I promise, to love you, to cherish you, to give you the world baby

Feel so good
Make me wanna get up early on a Sunday morning
All your love

All your love

Oh oh

Oh oh
