Fedde le Grand & Sultan + Shepard

Lord I've been running...
I've been running so long...
I've been running from change.
I said Lord I've been working working for love
I gotta evolve... for me to make a change...Someone help me ow good lord
Someone help me ow good lord
Someone help me ow good lordTo Make a Change
Lord I'm running running so long...
Running for faith
Running for Love
