

# Through Glass

## Stone Sour

I'm looking at you through the glass  
Don't know how much time has passed  
Oh God it feels like forever  
But no one ever tells you that forever feels like home  
Sitting all alone inside your head How do you feel? That is the question  
But I forget you don't expect an easy answer  
When something like a soul becomes initialized  
And folded up like paper dolls and little notes  
You can't expect a bit of hope So while you're outside looking in  
Describing what you see  
Remember what you're staring at is me 'Cause I'm looking at you through the glass  
Don't know how much time has passed  
All I know is that it feels like forever  
But no one ever tells you that forever feels like home  
Sitting all alone inside your head How much is real? So much to question  
An epidemic of the mannequins, contaminating everything  
We thought came from the heart  
But never did right from the start  
Just listen to the noises  
(Null and void instead of voices) Before you tell yourself  
It's just a different scene  
Remember it's just different from what you've seen I'm looking at you through the glass  
Don't know how much time has passed  
And all I know is that it feels like forever  
But no one ever tells you that forever feels like home  
Sitting all alone inside your head 'Cause I'm looking at you through the glass  
Don't know how much time has passed  
And all I know is that it feels like forever  
But no one ever tells you that forever feels like home  
Sitting all alone inside your head And it's the stars  
The stars that shine for you  
And it's the stars  
The stars that lie to you, yeah I'm looking at you through the glass  
Don't know how much time has passed  
Oh God it feels like forever  
But no one ever tells you that forever feels like home  
Sitting all alone inside your head 'Cause I'm looking at you through the glass  
Don't know how much time has passed  
All I know is that it feels like forever

But no one ever tells you that forever feels like home  
Sitting all alone inside your headAnd it's the stars  
The stars that shine for you, yeah  
And it's the stars  
The stars that lie to you, yeahAnd it's the stars  
The stars that shine for you, yeah  
And it's the stars  
The stars that lie to you, yeah yeahWho are the stars?  
Who are the stars that lie?
