My Little Funhouse

Nine oÂ´clock on Saturday night
Standing on the floor beneath the disco lights
I know you probably donÂ´t come to this place
But IÂ´m hoping youÂ´ll arrive with a smile on your face
It might be another week or two
Before you see me and I see you
But I can wait you know that I donÂ´t mind
I know itÂ´ll be worth it at the end of the line

So the next day I go looking for you
But I know IÂ´m looking in vain
I know I wonÂ´t find you
But I still try all the same
But when we get together
Everything will be just fine
When we meet each other
WeÂ´ll make up for all the lost time

Chorus:
I know weÂ´re hardly ever together weÂ´re usually apart
You know I can wait
But it breaks my heart
I I know weÂ´re hardly ever together weÂ´re usually apart
You know I can wait
But it tears me apart

Well youÂ´re the only girl IÂ´d ever wait for
With your eyes chining right in place
And I live the way your hair falls down over your face
You eyes are like the shooting stars
That fall right down from space
And when your eyes look into mine
My heart stars running a race

Chorus
Guitar Solo
Chorus

Tears me apart, it breaks my heart
it breaks my heart

it breaks my heart...
