

# Love Nasty (feat. Kay Cee)

[Nasty\\_C](#)

Hook- Kay cee

What are we doing

What will I love

You know it's start with you

By staying true to the man above

Cause it's seems like everything revolves about money man I wonder why Cupid's is running away from me

Verses 1(nasty c)

Look love to get it I do some dumb shit I'm always with somebody so they wonder how I'm love sick these groupies do me favours get done quick I thought this way was better so me and Cupid don't split but I gotta change for the back turn yessir gotta find little asap gotta tell Cupid to come right back tell him I was stupid he never should have left I need the to shoot through my 8 packs but Cupid don't want anything to do with me I'll just send him a text but I feel like God hates me and karma raised me in the middle of dark twisted dream and nobody wanna shake I'm waiting I'm ready what is love in the idgf I'm ivyson the love you turned against to you made a heaven and eraser but you control a pencil so enjoy your future carefully now that you'll lose your love cause I was made by your mistakes with drugs abuse love and clubs.

Hook

Outro

If we losing now love is gonna history you be telling your kids how much you used to love when everything is gone and Cupid doesn't exist no more everything will turn into a nightmare where will nobody to wake up...
