

Outta My Head

Leona Lewis

I keep taking, taking you back
But I don't know why I do
You keep breaking, breaking me down
So I'll find somebody new, alright I don't wanna feel I'm buried alive
And now you're begging me to see you tonight
It's funny how easy you can mess me up
Now look how easy I got you Outta my head, outta my head, say goodbye
Somebody's gonna get you
Outta my head, outta my head and tonight
I'm doing what I want to You've made the biggest mistake
And now I'm gonna get you
Outta my head, outta my head, say goodbye
Somebody's gonna get you I kept taking, taking the blame
And it tore me up inside
So defeated, losing myself
But you'll never make me cry again Oh, where were you when I didn't want things to end?
And now you're tasting all the pain I was in
It's funny how easy you can mess me up
Now look how easy I got you Outta my head, outta my head, say goodbye
Somebody's gonna get you
Outta my head, outta my head and tonight
I'm doing what I want to You've made the biggest mistake
And now I'm gonna get you
Outta my head, outta my head, say goodbye
Somebody's gonna get you Oh, outta my face and thoughts forever
And maybe I'll sleep and breathe much better
And finally I'm seeing everything clearer
So watch me now, oh, ooh, just watch me now, oh, get you Outta my head, outta my head, say goodbye
Somebody's gonna get you
Outta my head, outta my head and tonight
I'm doing what I want to You've made the biggest mistake
And now I'm gonna to get you
Outta my head, outta my head, say goodbye
Somebody's gonna get you
