I've Got What It Takes

[Tracy Byrd](#)

You need a man with an honest heart
Someone who loves you for who you are
Someone whose promises won't break
Honey, I've got what it takes
Yeah, you need a man with a tender touch
Two strong arms to wrap you up
And love all your nights away
Baby, I've got what it takes
Girl, you can search to the ends of the earth
If that's what you need to do
But under all the stars there's just one heart
Meant for lovin' you
And I'm gonna prove it to you, babe
I've got what it takes
You need a man who'll walk the line
Standin' right here by your side
Until his dyin' day
Darlin', I've got what it takes
Girl, you can search to the ends of the earth
If that's what you need to do
But under all the stars there's just one heart
Meant for lovin' you
And I'm gonna prove it to you, baby
I've got what it takes
Girl, you can search to the ends of the earth
If that's what you need to do
But under all the stars there's just one heart
Meant for lovin' you
And I'm gonna prove it to you, baby
I've got what it takes
And I'm gonna prove to you baby
I've got what it takes
You need a man with an honest heart
Baby, I've got what it takes
