

Walk My Way

Brynn Cartelli

[Verse 1]

Say you wanna say, talk is cheap
But you gonna pay if you keep
Lookin' at me

You got so much anger inside
That a body could start a fire
Inside of me[Pre-Chorus]

Oh, honey, inch to inch, just a little bit, ooh
Bring those mouthy lips wide into my grip, ooh[Chorus]

Walk my way, walk my way, walk my way, ah
Walk my way, so we can get closer, closer
Walk my way, walk my way, walk my way, ah
Walk my way, so we can get closer, closer

[Post-Chorus]

Baby, come at me, I dare you
Come after me, I dare you to, oh woah
Walk my way, walk my way, walk my way, ah
Walk my way, so we can get closer, closer[Verse 2]

Keep on teasing me with your words
And we'll see who gets there first
Like some kind of race

Touch me one more time like that
Whisper behind my back

And we'll see what happens, oh[Pre-Chorus]

Oh, honey, inch to inch, just a little bit, ooh
Bring those mouthy lips wide into my grip, ooh

[Chorus]

Walk my way, walk my way, walk my way, ah
Walk my way, so we can get closer, closer
Walk my way, walk my way, walk my way, ah
Walk my way, so we can get closer, closer[Post-Chorus]

Baby, come at me, I dare you
Come after me, I dare you to, woah woah
Walk my way, walk my way, walk my way, ah
Walk my way, so we can get closer, closer[Bridge]

I, I want you to
Fill up the distance till

We're face to face

I, I want you to

Round me up so much
It makes me sick[Chorus]
Walk my way, walk my way, walk my way, ah
Walk my way, so we can get closer, closer
Walk my way, walk my way, walk my way, ah
Walk my way, so we can get closer, closer[Post-Chorus]
Baby, come at me, I dare you
Come after me, I dare you to, woah woah
Walk my way, walk my way, walk my way, ah
Walk my way, so we can get closer, closer
