

# The Gypsy Cried

[Lou Christie](#)

I had some trouble with my baby  
So I had my fortune read  
I had some trouble with my baby  
And this is what the gypsy said The gypsy cried, she cried  
"Gypsy, oh tell me, what is in your crystal ball  
Gypsy, oh tell me, will my tears fall?"  
She cried, she cried and said "Watch your step, ooh she'll hurt you yet  
Oh no no no no no no no  
Watch your step, ooh she'll hurt you yet  
Oh no no no no no no no " "Gypsy, oh tell me, does she want to marry me?  
Gypsy, oh tell me, when the wedding's gonna be?"  
She cried, she cried "Listen to what the gypsy said  
Oh no no no no no no no  
Listen to what the gypsy said  
Oh no no no no no no no " "Gypsy, say it isn't true"  
"Watch out, ooh she doesn't love you  
Watch out, ooh she doesn't love you"  
"Gypsy, say it isn't true"  
"Watch out, ooh she doesn't love you"
