Going Home

Annie Haslam

Going home, going home
I'm just going home
Quiet light, some still day
I'm just going homeIt's not far, just close by
Through an open door
Work all done, care laid by
Going to fear no moreMother's there expecting me
Father's waiting, too
Lots of folk gathered there
All the friends I knewAll the friends I knew
I'm going home
Nothing's lost, all's gain
No more fret nor pain
No more stumbling on the way
No more longing for the day
Going to roam no moreMorning star lights the way
Restless dream all done
Shadows gone, break of day
Real life begunThere's no break, there's no end
Just a living on
Wide awake with a smile
Going on and onGoing home, going home
I'm just going home
It's not far, just close by
Through an open door
I am going home
I'm just going homeGoing home, going home
[Repeat]
