

# Reuben

## bravecaptain

Well, who's gonna shoe your pretty little foot?  
Who's gonna glove your hand?  
Who's gonna kiss your red ruby lips?  
And who's gonna be your man? Is that you Reuben?  
Reuben, where have you been so long?  
Is that you Reuben?  
Reuben, where have you been so long? Well, papa's gonna shoe my pretty little foot  
Mama's gonna glove my hand  
Sister's gonna kiss my red ruby lips  
And I don't need no man Well, I don't need no man  
No, I don't need no man  
Sister's gonna kiss my red ruby lips  
And I don't need no man Is that you Reuben?  
Reuben, where have you been so long?  
Is that you Reuben?  
Reuben, where have you been so long? Well, the longest train that I ever saw  
It was 90 coaches long  
And the only man that I ever loved  
He was on that train and gone Is that you Reuben?  
Reuben, where have you been so long?  
Is that you Reuben?  
Reuben, where have you been so long? Oh, where'd you get that hat you wear  
And that coat you got so fine?  
Well, I got my hat from a railroad man  
And my coat from a worker in the mine Is that you Reuben?  
Reuben, where have you been so long?  
Is that you Reuben?  
Reuben, where have you been so long? Well, Reuben made a train, he put it on the track  
Run it to, the Lord knows where  
Well, Reuben made a train, he put it on the track  
Run it to, the Lord knows where
