Grave

Thomas Rhett

You're my forever
My slice of heaven on this side of the Mississippi River, baby
You're my infinity, no end to you and me come hell, fire, or rain
Baby, nothing can change it
No, nothing can change itOoh ooh ooh ooh oohWhen the good Lord calls me home and this life is through
I may be six feet deep, but I'll still be loving you, ooh ooh
Baby, what we got won't ever dieCan't take diamonds, can't take gold
But I'll take your love with me when I go
I'm gonna take it to the grave with meYou're my destiny, you'll always be with me
Today, tomorrow, all the way to eternity, baby (baby)
No last breathe taken on this earth
No concrete tombstone, no amount of dirt can change it
No, nothing can change it (change it)
Ooh ooh ooh ooh oohWhen the good Lord calls me home and this life is through, ooh ooh
I may be six feet deep, but I'll still be loving you, ooh ooh ooh
Baby, what we got won't ever dieCan't take diamonds, can't take gold
But I'll take your love with me when I go
I'm gonna take it to the grave with me, to the grave with me
To the grave, to the grave, to the grave with me
To the grave with me, to the grave with me
To the grave, to the grave, to the grave with me
To the grave with me, to the grave with me
To the grave, to the grave, to the grave with me
To the grave with me, to the grave with me
To the grave, to the grave, to the grave with meYou're my forever
My slice of heaven on this side of the Mississippi River, babyOoh ooh ooh ooh ooh
When the good Lord calls me home and this life is through (and this life is through, oh oh)
I may be six feet deep, but I'll still be loving you (I'll be loving you)
Baby, what we got won't ever dieCan't take diamonds, can't take gold
But I'll take your love with me when I go
I'm gonna take it to the grave with me
