Here She Comes Again

Sasha

Met a girl and wrote a letter to get her
Asking her if she could fill a hole in my heart
Now I got myself all messed up just my luck
That she won't be buying and I should stop tryingBought myself a brand new logo it's HUGO
But she don't notice me no matter how hard I try
Looked into a super hair do as you do
Kidding myself I'm a much cooler guyAnd here she comes again
She's my one out of ten
I love her endlessly
But she don't meMaybe she thinks I'm a loser to choose her
But I can't seem to get her out of my mind
Is it I'm dressed like a dummy, oh honey
I'm not that outdated just so underratedGot a feeling like a phoney baloney
But I'd die for her if she would only be mine
Just one look this way would do me truly
You say hello before you say goodbyeAnd here she comes again
She's my one out of ten
I love her endlessly
But she don't me
