

When You Walk in the Room

Architecture In Helsinki

I can feel a new expression on my face
I can feel a glowing sensation taking place
I can hear the guitars playing lovely tunes
Every time that you walk in the room I close my eyes for a second and pretend it's me you want
Meanwhile I try to act so nonchalant
I see a summer's night with a magic moon
Every time that you walk in the room Maybe it's a dream come true
Standing right along side of you
Wish I could tell you how much I care
But I only have the nerve to stare I can feel a something pounding in my brain
Just any time that someone speaks your name
Trumpets sound and I hear thunder boom
Every time that you
Every time that you walk in the room
Every time that you walk in the room
(Every time that you)
