

Hopscotch

Gwen Guthrie

I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!

If the sun decides to rise,
without it's colors in your eyes,
it matters not.
A heart of mine,

prefers the darkness.

A Hopscotch, teardrop, ready to drop.

A Hopscotch, teardrop, ready to drop.

I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
I got a Hopscotch, teardrop, ready to drop!
