

# Hungry n Lurkin

## K CAMP

Uh, ay  
I'm just tryna elevate over all this bullshit  
You hear me? I be flexin' on purpose  
Hope that there make you nervous  
Most these niggas too funny feel like I live in a circus  
I got a bitch and she worth it  
(On Slum)  
I know one thing for certain  
These niggas sleep and I'm workin'  
(OK)  
These niggas sleep and I'm workin'  
I be flexin' on purpose  
I'm out here hungry and lurkin'  
(I'm workin!)  
How you hate when you hurtin'  
Hungry and lurkin', hungry and lurkin' I know one thing for certain  
I know niggas that servin'  
I know bitches that's thirstin' and I ball like I'm Kyrie Irving  
Jumped in the game as a student now I feel like the teacher  
Check them niggas that's round you, make sure them niggas ain't leachin'  
Came to handle my business, that's the reason you lookin'  
Fell in love with my presence and now she in that bit' cookin'  
I'm in Jersey like Snooki  
Searchin' round for them cookies  
On that grind till December  
Just hope you niggas remember that I be flexin' on purpose  
Hope that there make you nervous  
Most these niggas too funny feel like I live in a circus  
I got a bitch and she worth it  
(On Slum)  
I know one thing for certain  
These niggas sleep and I'm workin'  
(OK)  
These niggas sleep and I'm workin'  
I be flexin' on purpose  
I'm out here hungry and lurkin'  
(I'm workin!)  
How you hate when you hurtin'  
Hungry and lurkin', hungry and lurkin' I made that choice to go harder

You ain't loyal, why bother?  
Must continue my saga  
I learned my ways from my father  
I learned my lessons while climbin'  
I came in perfect timin'  
Now I'm in, I'm like fuck it  
But I'm in love with these diamonds  
Bitch I'm in love with the shinin'  
They want me to fall off  
They want me to stop workin'  
Bitch they want me to call off  
But I'm love with these Benjies  
And I'm in love with this music  
If you ain't know bitch I'm comin'  
You better watch how you movin'But I be flexin' on purpose  
Hope that there make you nervous  
Most these niggas too funny feel like I live in a circus  
I got a bitch and she worth it  
(On Slum)  
I know one thing for certain  
These niggas sleep and I'm workin'  
(OK)  
These niggas sleep and I'm workin'  
I be flexin' on purpose  
I'm out here hungry and lurkin'  
(I'm workin!)  
How you hate when you hurtin'  
Hungry and lurkin', hungry and lurkin'Let's get it  
I'm workin', I'm workin'  
Aye
