

# Did I Hear You Say You Love Me

Stevie Wonder

Did I hear you say you love me?  
Well baby I've got to know  
?Cause if you really really love me  
You've got to do things to show  
Don't give me the wrong impression  
By showing me warm expressions  
Put me in the right direction  
With tender love and affection  
I've been standing on the outside  
Trying to get on the inside  
Did I hear you say you need me?  
Well baby tell me the truth  
?Cause if you really really need me  
My sweetness here's what I'll do  
Cut out all my crazy playing  
?Cause for your love I have been laying  
Just tell me that is what you're saying  
And I'll be yours without delaying  
I've been standing on the outside  
Trying to get on the inside  
Well if you love me honey, let me hear you say  
"I love you"  
If you love me honey, let me hear you say  
"I love you"  
Sounds so good  
Well if you love me honey, let me hear you say  
"I love you"  
Did I hear you say you want me?  
Now please don't give me no mess  
?Cause if you really really want me  
You've got to give me your best  
Put my love life right in pocket  
And dare someone to try to top it  
And when you think I want to drop it  
Just love me ?til I beg don't stop it  
?Cause I've been standing on the outside  
Trying to get on the inside  
Well if you love me honey, let me hear you say  
"I love you"

Well if you love me honey, let me hear you say  
"I love you"  
Oh, oh, oh, oh  
If you love me honey, let me hear you say  
"I love you"  
Baby, if you love me, let me hear you say  
"I love you"  
If you love me, let me hear you say  
"I love you"  
And if you need me, let me hear you say  
"I love you"  
If you want me, let me hear you say  
"I love you"  
If you need me, let me hear you say  
"I love you"  
If you want me, let me hear you say  
"I love you"  
If you need me, let me hear you say  
"I love you"  
If you want me, let me hear you say  
"I love you"  
If you need me, let me hear you say  
"I love you"
