

Did I Hear You Say You Love Me

Stevie Wonder

Did I hear you say you love me?
Well baby I've got to know
?Cause if you really really love me
You've got to do things to show
Don't give me the wrong impression
By showing me warm expressions
Put me in the right direction
With tender love and affection
I've been standing on the outside
Trying to get on the inside
Did I hear you say you need me?
Well baby tell me the truth
?Cause if you really really need me
My sweetness here's what I'll do
Cut out all my crazy playing
?Cause for your love I have been laying
Just tell me that is what you're saying
And I'll be yours without delaying
I've been standing on the outside
Trying to get on the inside
Well if you love me honey, let me hear you say
"I love you"
If you love me honey, let me hear you say
"I love you"
Sounds so good
Well if you love me honey, let me hear you say
"I love you"
Did I hear you say you want me?
Now please don't give me no mess
?Cause if you really really want me
You've got to give me your best
Put my love life right in pocket
And dare someone to try to top it
And when you think I want to drop it
Just love me ?til I beg don't stop it
?Cause I've been standing on the outside
Trying to get on the inside
Well if you love me honey, let me hear you say
"I love you"

Well if you love me honey, let me hear you say
"I love you"
Oh, oh, oh, oh
If you love me honey, let me hear you say
"I love you"
Baby, if you love me, let me hear you say
"I love you"
If you love me, let me hear you say
"I love you"
And if you need me, let me hear you say
"I love you"
If you want me, let me hear you say
"I love you"
If you need me, let me hear you say
"I love you"
If you want me, let me hear you say
"I love you"
If you need me, let me hear you say
"I love you"
If you want me, let me hear you say
"I love you"
If you need me, let me hear you say
"I love you"
