Live For Better Days

Ignite

Save it for tomorrow
Just let me get some sleep in
Let me remand
I wasn't born a failure
Tonight I feel we're sinking
And I'm thinking once againSo I say goodnight
To dreams that won't be realized
I can't sleep with desperation
By my side
The memories start to fade
Now I live for better daysLast night was wrong, it's morning
So tired of these empty feelings in me
I wasn't born a failure
No more living in regret
Stop feeling sorry for yourselfSo I say goodnight
To dreams that won't be realized
I can't sleep with desperation
By my side
The memories start to fade
Now I live for better daysI need to end this violence
In this place that I call home
I need to hear some silence
Silence in meSo I say goodnight
To dreams that won't be realized
I can't sleep with desperation
By my side
The memories start to fade
Now I live for better days
