

Goin' Down the Road Feelin' Bad

[Eric Bibb](#)

(Transatlantic Sessions version) Well I'm goin' down that road feeling bad
goin' down that road feeling bad
Well I'm goin' down that road feeling bad, honey babe
and I ain't gon' be treated this way What I got gon' sure bring you back
What I got gon' sure bring you back
What I got gon' sure bring you back, honey babe
and I ain't gon' be treated this way (Banjo Solo) (Fiddle Solo) Well they feed me on corn, bread and peas
Feed me on corn, bread and peas
Well they feed me on corn, bread and peas, honey babe
and I ain't gon' be treated this way Well I'm down here in this valley on my knees
Down here in this valley on my knees
Well I'm down here in this valley on my knees, honey babe
and I ain't gon' be treated this way (Mandolin Solo) (Dobro Solo) Well I'm going where the weather suits my
clothes
I'm going where the weather suits my clothes
Well I'm going where the weather suits my clothes, honey babe
and I ain't gon' be treated this way I'm going down that road feeling bad
Well I'm going down that road feeling bad
I'm going down that road feeling bad, honey babe
and I ain't gon' be treated this way (Banjo Solo/Outro)
