

Necessarily

Cassie Davis

They say to get on in this life
You gotta live right
Go to school and keep your grades tight
And you mustn't miss a round
Keep your nose to the ground
But the thing that I found I can't do that it just ain't me
Yeah, I dunno, you better ask somebody
Still I hear 'em tellin' me to get my degree
Sayin' it's the only way I'm gonna succeed Well I don't necessarily wanna live that way
I make my own rules when I play
This game
Called life I know you think I'm crazy
But I don't necessarily wanna live like that
So when I'm coming up to bat
You think I'm a failure
But I got heart
And I'm gonna hit this out the park I just don't wanna live that way See I'm just trynna live my life
I got my own way of doing things
Now sayin' "you're wrong"
Which just ain't right for me
This is what I know
So this is how I do
Well that's just how I do I go against the grain
And I'll be just fine
Stand up from the crowd
I'm gonna get mine
There's a fraction
Too much friction
But I love fire works
let us see the sparks flying? Well I don't necessarily wanna live that way
I make my own rules when I play
This game
Called life I know you think I'm crazy
But I don't necessarily wanna live like that
So when I'm coming up to bat
You think I'm a failure
But I got heart
And I'm gonna hit this out the park And no-one seems to get this
No I'm not bein' rebellious

I just don't want to live that way
I can't help it, it's just me
And maybe one day you'll see
That I just make my own rules when I play
But I don't necessarily want to live like that
So when I'm coming up to bat
You think I'm a failure
But I got heart
And I'm gonna hit this out the park
Well I don't necessarily want to live that way
I make my own rules when I play
This game
Called life I know you think I'm crazy
But I don't necessarily want to live like that
So when I'm coming up to bat
You think I'm a failure
But I got heart
And I'm gonna hit this out the park
