

Carry on Dancing

Savage Garden

The moonlight
Shines down interstellar beams
And the groove tonight
Is something more than you've ever seen
The stars and planets taking shape
A stolen kiss has come too late
In the moonlight
Carry on keep romancing
Carry on carry on dancing
In the moonlight
Carry on keep romancing
Carry on carry on dancing
You're never safe 'till you see the dawn
And if the clock strikes past midnight
The hope is gone
To move under
The moonlight
Carry on, keep romancing
Carry on, carry on dancing
In the moonlight
Carry on, keep romancing
Carry on, carry on dancing
Move. Closer. Passion. Stronger.
There's a magic only two can tell
In the dark night
Ultraviolet is a wicked spell
The stars and planets taking shape
A stolen kiss has come too late
In the moonlight
Carry on, keep romancing
Carry on, carry on dancing
In the moonlight
Carry on, keep romancing
Carry on, carry on dancing
Moving on
Moving all night
