Little Texas Shaker

Triumph

The boys were rock 'n' rollin' down in old San Antone
About two thousand miles far away from their home
A little brown eyed beauty was shakin' her thing
The band was hot ya know the modd was right
Gotta shek it up tonightCHORUS:
Got to shake it Little Texas Shaker
Got to shake your money maker
Got to shake it Little Texas ShakerYa, there were pretty ladies standin' all in a row
Waitin' for the boys right after the show
But she was like diamond among other girls
The band was hot ya know the mood was right
Gotta shake it up tonightCHORUS
