Amaranthine

Orbeth

Time, is a reason why we fight to stay alive, until the morning comes. It's a
Strive but a shimmer in your eyes just makes me know. That you and I belong,
And you can light the dark up by your own. So let us show the world that the
Love is strong.

Like a sign, like a dream. You're my Amaranthine. You are all I needed, believe
Me. Like a drift, in a stream. Your beauty is so real, there nothing else in
Life I ever need. My dream of Amaranthine. Time, is a reason why we fight to stay alive, until the morning comes. It's a
Strive but a shimmer in your eyes just makes me know. That you and I belong,
And you can light the dark up by your own. So let us show the world that the
Love is strong.

Like a sign, like a dream. You're my Amaranthine. You are all I needed, believe
Me. Like a drift, in a stream. Your beauty is so real, there nothing else in
Life I ever need. My dream of Amaranthine.

Time, is a reason why we fight to stay alive, until the morning comes. It's a
Strive but a shimmer in your eyes just makes me know. That you and I belong,
And you can light the dark up by your own. So let us show the world that the
Love is strong.

Like a sign, like a dream. You're my Amaranthine. You are all I needed, believe
Me. Like a drift, in a stream. Your beauty is so real, there nothing else in
Life I ever need. My dream of Amaranthine.

Time goes by as days and nights are turning in tilt, but I'm lying in your
Arms. It's the place were I know I'm closest to your heart, when the darkest
Hours are upon. I know you feel the same as I inside, it's feels like in a
Dream were we can fly.

Like a sign, like a dream. You're my Amaranthine. You are all I needed, believe
Me. Like a drift, in a stream. Your beauty is so real, there nothing else in
Life I ever need. My dream of Amaranthine.

It's a sign, but the shadows in your eyes just lets me know. You are my
Amaranthine.

Like a sign, like a dream. You're my Amaranthine. You are all I needed, believe

Me.

Like a sign, like a dream. You're my Amaranthine. You are all I needed, believe
Me. Like a drift, in a stream. Your beauty is so real, there nothing else in
Life I ever need. My dream of Amaranthine.
