

Wanna Play

RBD

See I know what's up papi
I'm a loca in a sexy body
I know that you wanna party
The kinda party that we both know I can't give you all my goods
Where's the part in the play that I wrote?
Something far from all the shows
Esta chica es muy especial Oh oh, that's how you go
Oh oh, and a little bit more
Oh oh, if you only knew
You'd be going like oh oh oh oh Wanna play, come on set the game on
I don't need the warm ups to turn on
Wanna play to two shots so let's go
I'm waiting, still waiting Wanna play, come on set the game on
Can't resist the beat it's getting too strong
Wanna play to two shots so let's go
I'm waiting, still waiting See I know what's up mami
I'm a loco too if you try me
Make me a part of your party
The kind of party that we both know I promise to please you all night long
You'll be shaking long after I'm gone
Next thing you spending on the phone
Telling all your friends about me Oh oh, that's how you go
Oh oh, and a little bit more
Oh oh, if you only knew
You'll be going like oh oh oh oh Wanna play, come on set the game on
I don't need the warm ups to turn on
Wanna play take two shots so let's go
I'm waiting, still waiting Wanna play, come on set the game on
Can't resist the beat is getting too strong
Wanna play to two shots so let's go
I'm waiting, still waiting I ain't stopping, no, I ain't stopping
'Til I get what I want I'ma keep on shopping
I ain't stopping, no, I ain't stopping
I'm getting what I need, I'm getting what I need I ain't stopping, no, I ain't stopping
'Til the club shut down I'ma keep on rockin'
I ain't stopping, no, I ain't stopping
I'm getting what I need, I'm getting what I need Wanna play, come on set the game on
I don't need the warm ups to turn on
Wanna play to two shots so let's go

I'm waiting, still waitingWanna play, come on set the game on
Can't resist the beat is getting too strong
Wanna play to two shots so let's go
I'm waiting, still waitingWanna play, come on set the game on
I don't need the warm ups to turn on
Wanna play to two shots so let's go
I'm waiting, still waitingWanna play, come on set the game on
