

Phone Tap

The Firm

"Ah, control, come in control, ah, we have wire
And we need to know if you can help us out, like right now"
"How many are you up by?"
"Ah, that would be two targets, control, ah, NAS and AZ
I think this is what we've been waitin' for""Are they on a hard wire or cell phone?"
"Ah, both are on cell, control, both are on cell
Ah, do you have what we need?"
"That's affirmative""Damn, the fuck"
"Okay, this is it"
"Fuck is callin' my celly right now?"
