No Sleep

JB and Spice

Hello?
Hey w'sup baby?
Nothin', chillin'
What you doin'?
Just got out the shower
Oh, word? Well, I'm in town and I'm tryna see you tonight
Let's make it happen, just tell me where to meet you
I'm downstairs now
Come on up
Yeah
Yeah
Yeah, oh
Oh, Mmm hmm
You keep it tight
Hit me off how I like
Every day, every night
That's why we're doing fine
And when you're gone
It's never for too long
You always come back home
And give me what I want
It's 12am, drop off my crew
1Am, I'm callin' you
It's 2am, what you wanna do tonight (Tonight)
3Am, you're leavin' the club
4Am, we'll be makin' love
And we can't stop till you get enough tonight (Tonight)
You give me all the love I need and
You always bring it home to me
I bet you don't get no sleep tonight
I bet you don't get no sleep tonight
You give me all the love I need and (Mmm hmm)
You always bring it home to me (Mmm hmm, yeah)
I bet you don't get no sleep tonight
They say I'm shy
But you know that's a lie
I'll be over tonight
So I can blow your mind
Our love is deep

The country just don't see
I give you and receive
Just tell me what you need
It's 12am, drop off my crew (Off my crew)
1Am, I'm callin' you (Callin' you)
It's 2am, what you wanna do tonight (Tonight, tonight)
3Am, you're leavin' the club (Leavin' the club)
4Am, we'll be makin' love (We'll be makin' love)
We can't stop till you get enough tonight (Whoa, whoa)
You give me all the love I need and (Oh)
You always bring it home to me (Only you)
I bet you don't get no sleep tonight
I bet you don't get no sleep tonight
You give me all the love I need and (Only you)
You always bring it home to me (Only you, oh)
I bet you don't get no sleep tonight
I bet you don't
I bet you don't
Baby I wanna give you (Baby I wanna give you)
My everything (Everythang)
For all the joy that you bring (For all the joy that you bring)
Baby I'm gonna show you (Said I'm gonna show you)
How special you are to me
And tonight I bet that you won't sleep
Only you (No, no)
Only you (Only you baby)
I bet you don't get no sleep tonight
You give me all the love I need and (Only you)
You always bring it home to me (Only you)
I bet you don't get no sleep tonight
I bet you don't get no sleep tonight
You give me all the love I need and (Only you)
You always bring it home to me (Mmm yes you do)
I bet you don't get no sleep tonight
I bet you don't get no sleep tonight
