All Or Nothing

Athena Cage

It's the chance of life, get ready, set, fly, high
Above the fear of your mind
Go for it, it's hit or miss
Too late for you to quit
You gotta show 'em how bad you really want thisLive your dreams, it's not as hard as it may seem
You gotta work to get the cream
On your hopes you must lean
From your fears, you have to win yourself
It's all or nothing, Give your everythingAre what you believe, you've got to bring the dreams
Set the pace, let competitions take the lead
This is it, all eyes on you
So stay on point and prove
That you deserve, what's long overdueLive your dreams, it's not as hard as it may seem
You gotta work to get the cream
On your hopes you must lean
From your fears, you have to win yourself
It's all or nothing,give your everythingThe hardest to recovery
From the heartbreak of another kind
I'm still drying my tears
Getting over my own fears
In my life, so I want to make sure this time
That I'm strong enough
To give it my allSo you have got to live your dreams
So don't you be afraid
Just set the pace, and take the lead
It's your time to shine
