Both Sides Now

Carly Rae Jepsen

Bows and flows of angel hair
And ice cream castles in the air
Feather cannons everywhere
IÂ’ve looked at clouds that way

Now they only block the sun
They rain and snow on everyone
So many things I would have done
But clouds got in my way

IÂ’ve looked at clouds from both sides now

IÂ’ve looked at clouds from both sides now
From up and down and still somehow
ItÂ’s clouds illusions I recall
I really donÂ’t know clouds at all

Moons and Junes and ferris wheels
The dizzy, dancing way you feel
When every fairy tale comes true
IÂ’ve looked at love that way

But now itÂ’s just another show
You leave Â‘em laughing when you go
And if you care donÂ’t let them know
DonÂ’t give yourself away

IÂ’ve looked at love from both sides now
From give and take and still somehow
ItÂ’s loves illusions I recall
I really donÂ’t know love at all

Tears and fears and feeling proud
To say I love you right out loud
Dreams and schemes and circus crowds
IÂ’ve looked at life that way

But now old friends are acting strange
They shake their heads
They say IÂ’ve changed

Well somethings lost and somethings gained in living every day

IÂ’ve looked at life from both sides now

IÂ’ve looked at life from both sides now
From win and loose and still somehow
ItÂ’s lifes illusions I recall
I really donÂ’t know life

IÂ’ve looked at clouds from both sides now
From up and down and still somehow
ItÂ’s clouds illusions I recall
I really donÂ’t know clouds at all

I really donÂ’t know life at all
