

Mine

[Sebastian Mikael](#)

Cause you're mine, I know you're mine
So tell those guys, stop wasting your time
I don't want nobody, I don't want nobody else
Cause you're mine, I know you're mine
So tell those guys, stop wasting your time
I don't want nobody, I don't want nobody else
Cause you're mine, I know you're mine
So tell those guys, stop wasting your time
I don't want nobody, I don't want nobody else
Cause you're mine, I know you're mine
So tell those guys, stop wasting your time
I don't want nobody, I don't want nobody else
Cause you're mine, I know you're mine
So tell those guys, stop wasting your time
I don't want nobody, I don't want nobody else
