

Skin (Great Skies Remix)

Grimes

Oh oh oh ohh oh oh ohh oh oh ohh
Soft skin,
You touch me with it, so I know
I can be human once again.
I know you're faced with something
That could consume you completely.
Soft skin,
You touch me once again, and somehow
It stings 'cause I know it is the end.
I hate that you're leaving.
So why don't you talk to me?
You act like nothing ever happened,
But it meant the world to me. And you can't, and you can't
See the weight in the trees.
And you can't, and you can't
See the weight of the bees. And you can't, and you can't
See the weight on my heart.
And you can't, and you can't
See the weight on my heart. These are our,
These are our fallen secrets. Soft skin,
Why have you been in my heart?
Until I think of you Soft skin
Oh oh
You will never lie to me again
So now I'm suffering.. And you can't, and you can't
See the weight in the trees.
And you can't, and you can't
See the weight of the bees. And you can't, and you can't
See the weight on my heart.
And you can't, and you can't
See the weight on my heart. These are our,
These are our fallen secrets. Soft skin,
You touch me with it, so I know
I can be human once again.
I know you're faced with something
That could consume you completely.
Soft skin,
You touch me once again, and somehow
It stings 'cause I know it is the end.

I hate that you're leaving.
So why don't you talk to me?
You act like nothing ever happened,
But it meant the world to me.
Ohh oh oh ohh oh oh ohh oh oh ohh
