I Want To Go With You

Eddy Arnold

I wanna go with you
To that other world
The one your love takes me to
I wanna go with you.I wish I were glass
So you could see through
Then you'd know before you ask
That I wanna go with you.I wanna go with you
To that other world
The one your love takes me to
I wanna go with youYou take me away
To a world I never knew
But what else can say
I wanna go with you.I wanna go with you
To that other world
The one your love takes me to
I wanna go with you.The one your love takes me to
I wanna go with you
