

Two Legs Better

Los Stompers

Stop the box, shut down the airwaves

Bailout the senses

Newspeak invades the airspace

Shutting down defenses

Bring on the lexicon

Stealing hearts and minds

Friendly fired sound bites

Read between the lines

Starry-eyed and eager

Following the leader

Bottle-fed to take the bait

Soft-soaped and lathered

Sheep-dipped and battered

Spray-gun in your face

Watch this space

For "credit crunch"™ read "bankers"™ free lunch™

For "unity"™ read "slavery"™

Sustain-a-bubbles blown to burst

But who sweeps up the debris?

Genocide rebranded

As humanitarian war

A zero-tolerance dÃ©jÃ -vu

We've all been here before

Starry-eyed and eager

Following the leader

Bottle-fed to take the bait

Soft-soaped and lathered

Sheep-dipped and battered

Spray-gun in your face

Watch this space
