Tall Paul

Annette Funicello

Chalk on the sidewalk, writin' on the wall
Everybody knows it, I love Paul
Tall Paul, tall Paul
Tall Paul, he's-a my allChalk on the sidewalk
(Chalk on the sidewalk)
'Nitials on a tree
('Nitials on a tree)Ev'rybody knows it
(Ev'rybody knows it)
Paul loves me
(Tall Paul)With the king-size arms
(Tall Paul)
With the king-size charms
(Tall Paul)With the king-size kiss
(He's my all)
He's my all(Tall Paul is my love, tall Paul is my dream)
(He's the captain of the high school football team)
He's my mountain, he's my tree
We go steady, Paul and meTall Paul
(With the great big smile)
Tall Paul
(With the great big eyes)Tall Paul
(With the great big kiss)
He's my all
Tall Paul, tall Paul
Tall Paul, he's my all
