

# Tall Paul

## Annette Funicello

Chalk on the sidewalk, writin' on the wall  
Everybody knows it, I love Paul  
Tall Paul, tall Paul  
Tall Paul, he's-a my all Chalk on the sidewalk  
(Chalk on the sidewalk)  
'Nitals on a tree  
(Nitals on a tree) Ev'rybody knows it  
(Ev'rybody knows it)  
Paul loves me  
(Tall Paul) With the king-size arms  
(Tall Paul)  
With the king-size charms  
(Tall Paul) With the king-size kiss  
(He's my all)  
He's my all (Tall Paul is my love, tall Paul is my dream)  
(He's the captain of the high school football team)  
He's my mountain, he's my tree  
We go steady, Paul and me Tall Paul  
(With the great big smile)  
Tall Paul  
(With the great big eyes) Tall Paul  
(With the great big kiss)  
He's my all  
Tall Paul, tall Paul  
Tall Paul, he's my all
