Love Is Stronger Than Death

Angela McCluskey

Love, love, love
Love, love, love

Me and my friend we're walking in the cold light of mourning
Tears may blind the eyes but the soul is not deceived
In this world even winter ain't what it seems

Here come the blue skies, here comes springtime
When the rivers run high and the tears run dry
When everything that dies shall rise

Love, love, love
Is stronger than death
Love, love, love
Is stronger than death

In our lives we hunger for things we cannot touch
All the thoughts unuttered all the feelings unexpressed
Play upon our hearts like the mist upon our breath
But awoken by grief, our spirits speak

How could you believe that the life within the seed
That grew arms that reached and a heart that beat
And lips that smiled and eyes that cried could ever die?

Here come the blue skies, here comes springtime
When the rivers run high and the tears run dry
When everything that dies shall rise

Love, love, love
Is stronger than death
Love, love, love
Is stronger than death
Love, love, love
Is so much stronger than death
