WORDS

WRITERS BARRY, MAURICE AND ROBIN GIBB

Smile an everlasting smile A smile could bring you near to me Don't ever let me find you gone 'Cause that  
would bring a tear to me This world has lost its glory Let's start a brand new story Now my love right now  
there'll be No other time and I can show you How my love Talk in everlasting words And dedicate them all to  
me And I will give you all my life I'm here if you should call to me You think that I don't even mean A single  
word I say It's only words, and words are all I have to take your heart away You think that I don't even mean A  
single word I say It's only words, and words are all I have to take your heart away It's only words, and words  
are all I have to take your heart away
