

Diamonds

Breathe Carolina

And we will find our way there
live like delicates
before we go you'll know
the spotlight lives in all of us.

-and it's the oo
and we'll set the stage
and walk away to find what's taken, what's taken
-and it's the oo
and we'll set the stage
and walk away to find you-

you watch the way i'm talkin
and i'll watch the way you're walkin
i got the lines that'll be in you tonight
so take a listen while we glisten in the summer weather
we got the wine we just shake shake- make it better
don't you, want to, don't you want to wear my diamonds.
don't stop, don't stop, don't stop till you get on top
the beat won't stop till i...

-and it's the oo
and we'll set the stage
and walk away to find what's taken, what's taken
-and it's the oo
and we'll set the stage
and walk away to find you-

come on, let's do it, you know that this won't last forever..

-and it's the oo
and we'll set the stage
and walk away to find what's taken, what's taken
-and it's the oo
and we'll set the stage
and walk away to find you-

-are you listening to everything that we have said? -
-are you listening to everything that we will say? -
