

Lonesome Road

Brother John Sellers

Look down, look down
That lonesome road
Before you travel on Look up, look up
And greet your maker
'Fore Gabriel blows his horn Weary of toting such a heavy load
Trudging down that lonesome road Look down, look down
That lonesome road
Before you travel on Weary of toting such a heavy load
Trudging down that lonesome road Look down, look down
That lonesome road
Before you travel on
Before you travel on
