

Just Give Me a Reason

Susan Wong

Right from the start
You were a thief
You stole my heart
And I your willing victim
I let you see the parts of me
That weren't all that pretty
And with every touch you fixed them
Now you've been talking in your sleep, oh, oh
Things you never say to me, oh, oh
Tell me that you've had enough
Of our love, our love
Just give me a reason
Just a little bit's enough
Just a second we're not broken just bent
And we can learn to love again
It's in the stars
It's been written in the scars on our hearts
We're not broken just bent
And we can learn to love again
I'm sorry I don't understand
Where all of this is coming from
I thought that we were fine
Your head is running wild again
My dear we still have everythin'
And it's all in your mind
You've been havin' real bad dreams, oh, oh
You used to lie so close to me, oh, oh
There's nothing more than empty sheets
Between our love, our love
Just give me a reason
Just a little bit's enough
Just a second we're not broken just bent
And we can learn to love again
I never stopped
You're still written in the scars on my heart
You're not broken just bent
And we can learn to love again
Oh, tear ducts can rust
I'll fix it for us

We're collecting dust
But our love's enough
 You're holding it in
 You're pouring a drink
No nothing is as bad as it seems
 We'll come clean
 Just give me a reason
 Just a little bit's enough
Just a second we're not broken just bent
 And we can learn to love again
 It's in the stars
It's been written in the scars on our hearts
 That we're not broken just bent
 And we can learn to love again
