Monday Morning

Left Alone

Monday morning, 6AM,
I'm on the road, I'm off again,
Another town, without you,
Was it here, was it there,
Distorted thoughts, but I don't care,
Another town, without youA million miles away from home,
I'm sitting here all alone,
And I'm thinking about you,
All the things I should have said,
All the things that went away,
Cause I'm here thinking of you,
All this fucking wasted time,
All the times that you were mine,
Always thinking about you,
All the things I should have said,
All the things that went away,
Cause I'm thinking about youWasted thoughts I can't find,
Distorted thoughts in my mind,
Another town without you,
Was it here was it there,
Distorted thoughts but I don't care,
Another town without youA million miles away from home,
I'm sitting here all alone,
And I'm thinking about you,
All the things I should have said,
All the things that went away,
Cause I'm here thinking of you,
All this fucking wasted time,
All the times that you were mine,
Always thinking about you,
All the things I should have said,
All the things that went away,
Cause I'm thinking about you
