

# You Look So Fine

## Garbage

You look so fine, I want to break your heart  
And give you mine, you're taking me over  
It's so insane, you've got me tethered and chained  
I hear your name and I'm falling over I'm not like all the other girls  
I can't take it like the other girls  
I won't share it like the other girls  
That you used to know You look so fine Knocked down, cried out  
Been down just to find out  
I'm through living for you I'm open wide, I want to take you home  
We're wasting time, you're the only one for me  
You look so fine, I'm like the desert tonight  
Leave her behind if you want to show me I'm not like all the other girls  
I won't take it like the other girls  
I won't fake it like the other girls  
That you used to know You're taking me over  
Over and over  
I'm falling over  
Over and over (You're taking me over)  
Loving me one more time  
(Over and over)  
Hide inside me tonight  
(I'm falling over)  
Do what you want to do  
(Over and over)  
Just pretend, happy end (You're taking me over)  
Let me know, let it show  
(Over and over)  
Ending with letting go  
(I'm falling over)  
Ending with letting go  
Ending with letting go Let's pretend, happy end  
Let's pretend, happy end  
Let's pretend, happy end  
Let's pretend, happy end
