

Day Dream

Aga Zaryan

Funny the way that I feel now
Can't keep my feet on the ground
Everything seems unreal now
When you're not around
 Day dream
Why do you haunt me so?
 Deep in a rosy glow
The face of my love you show
 Day dream
 I walk along on air
 Building a castle there
For me and my love to share
 Don't know the time
 Lordy, I'm in a daze
 Sun in the sky

While I moon around, feeling hazy
 Day dream
 Don't break my reverie
 Until I find that he
Is daydreaming just like me
 Don't know the time
 Lordy, I'm in a daze
 Sun in the sky
While I moon around, feeling hazy
 Day dream
 Don't break my reverie
 Until I find that he
Is daydreaming just like me
