

# Beautiful Loser

Bob Seger

He wants to dream like a young man  
With the wisdom of an old man  
He wants his home and security  
He wants to live like a sailor at sea Beautiful loser  
Where you gonna fall?  
When you realize  
You just can't have it all He's your oldest and your best friend  
If you need him, he'll be there again  
He's always willing to be second-best  
A perfect lodger, a perfect guest Beautiful loser  
Read it on the wall  
And realize  
You just can't have it all  
You just can't have it all you just can't have it all  
ohh, ohh, can't have it all  
you can try, you can try, but you can't have it all  
oh yeah He'll never make any enemies, enemies, no  
He won't complain if he's caught in a freeze  
He'll always ask, he'll always say please Beautiful loser  
Never take it all  
'Cause it's easier  
And faster when you fall You just don't need it all  
You just don't need it all  
You just don't need it all  
Just don't need it all
