I'm On Your Side

Paul Kelly

Remember when we met
The way you made me laugh?
How could I forget?
I found my better half
But lately, I've been feeling strong
And you've been falling behind
Oh tell me, what went wrong?
'Cause I can't read your mind
I'm on your side
Are you too blind to see
I'm on your side?
You know I'm not the enemy
Don't push me away
There's nothing to hide
I won't betray you, baby
I love you, babe, I'm on your side
Remember how we kissed
The first time in the dark?
Your lips were on my lips
Your heart was on my heart
But last night when you went to sleep
You turned your face to the wall
If you put your faith in me
I'll catch you when you fall
I'm on your side
Are you too blind to see
I'm on your side?
You know I'm not the enemy
Don't push me away
There's nothing to hide
I won't betray you, baby
I love you, babe, I'm on your side
Lately I've been feeling strong
And you've been falling behind
Oh tell me, what went wrong?
'Cause I can't read your mind
I'm on your side
Are you too blind to see?
I'm on your side

You know I'm not the enemy
Don't push me away
There's nothing to hide
I won't betray you, baby
I love you, babe, I'm on your side
I'll hold on to you
No matter what it is
You're going through, babe
I love you babe, I love you babe
I love you, babe
I'm on your side
Are you too blind to see?
I'm on your side
You know I'm not the enemy
Don't push me away
There's nothing to hide
I won't betray you, baby
I love you, babe, I'm on your side
