

# Part of Me

Katy Perry

Days like this,  
I want to drive awayPack my bags  
And watch your shadow fadeYou chewed me up  
And spit me out  
Like I was poison in your mouthYou took my light  
You drained me down  
But that was then  
And this is nowNow look at me!This is the part of me  
That you're never gonna ever take away from me, noThis is the part of me  
That you're never gonna ever take away from me, noThrow your sticks and stones,  
Throw your bombs and bones,  
But you're not gonna break my soul.This is the part of me  
That you're never gonna ever take away from me, noI just wanna throw my phone away  
Find out who is really there for meYou ripped me off,  
Your love was cheap  
It was always tearing at the seams,  
I fell deep, you let me down,  
But that was then and this is nowNow look at me!This is the part of me  
That you're never gonna ever take away from me, noThis is the part of me  
That you're never gonna ever take away from me, noThrow your sticks and stones,  
Throw your bombs and bones,  
But you're not gonna break my soul.This is the part of me  
That you're never gonna ever take away from me, no!Now look at me I'm sparkling,  
A firework, a dancing' flame  
You won't ever put me out again  
I'm glowing', oh woah,So you can keep the diamond ring,  
It don't mean nothing anyway,  
In fact you can keep everything, yeah, yeah, yeah  
Except for me!This is the part of me  
That you're never gonna ever take away from me, noThis is the part of me  
That you're never gonna ever take away from me, noThrow your sticks and stones,  
Throw your bombs and bones,  
But you're not gonna break my  
SoulThis is the part of me  
That you're never gonna ever take away from me, noThis is the part of me  
That you're never gonna ever take away from me, noThis is the part of me  
That you're never gonna ever take away from me, noThrow your sticks and stones,  
Throw your bombs and bones,  
But you're not gonna break my

Soul  
This is the part of me  
That you're never gonna ever take away from me, no  
no, no
