# Wake Up

## Shiraz Lane

Fight the power!
The feeling I get when I look to the west
There's history we can't forget
Looking over to the east -
so much blood is spilled with ease
Why can't you see we're all worth the same?
We're all part of the human race
We're blinded by colour, we're blinded by greed -
lost in a suicidal symphony
Break all the rules you're living by
You'll be free of lies
WAKE UP! WAKE UP! Open up your eyes
WAKE UP! WAKE UP! Running out of time
They don't really give a damn about you
None of the things they say are true
WAKE UP! WAKE UP! WAKE UP!
Fight the power!
Future set up for regret
History repeats itself
Too much grief is caused in vain -
we cannot hide from our children's pain
Why can't you see we're all worth the same
We're all part of the human race
But we're blinded by black and we're blinded by white -
the hate in our eyes keeps blocking the light
Break all the rules you're living by
You'll be free of lies
WAKE UP! WAKE UP! Open up your eyes
WAKE UP! WAKE UP! We're running out of time
They don't really give a damn about you
None of the things they say are true
WAKE UP! WAKE UP! WAKE UP!
Time to wake up
Lies, lies, lies, lies, lies, lies...
Break all the rules you live by, break all the rules
Break all the rules you live by, don't keep on being the fool
Break all the rules
Break all the rules
Break all the rules!

Break all the rules you're living by,
You'll be free of lies
WAKE UP! WAKE UP! WAKE UP!
WAKE UP! WAKE UP!
WAKE UP! WAKE UP! Running out of time
They don't really give a damn about you
None of the things they say are true
WAKE UP! WAKE UP! WAKE UP!
WAKE UP! WAKE UP! WAKE UP!
WAKE UP! WAKE UP! WAKE UP!
They don't really give a damn about you
None of the things they say are true
WAKE UP! WAKE UP! WAKE UP!
Fight the power!
